The Southern Association of Colleges and Schools requires that there be a difference in
the quantity and quality of work done for the two levels of a linked undergraduate (300-
level) and graduate course (600-level). This difference must be explicitly stated.
Otherwise credit toward a graduate degree cannot be given for the course.

PLEASE FOLLOW THESE DIRECTIONS:

1) If the syllabus of the 600-level course does list the additional work required for
graduate students, please attach a copy of the syllabus to this sheet and send it to the
Administrative Coordinator in the Liberal Studies Office, Reynolda Hall Room 124.
Please do this before the semester begins or before the last add date at the very latest.

2) If the syllabus of the 600-level course does not state the graduate student
requirements, please speak with the instructor and arrange for the additional work.
Fill out the section of the sheet below and send these materials to the Administrative
Coordinator in the Liberal Studies Office, Reynolda Hall Room 124. Please do this
before the semester begins or before the last add date at the very latest.
